REPRESENTATIONS AND UNDERTAKINGS

- I have noted that by by investing in this offering, I become a participant in the International Group Share Ownership Plan of VINCI group.
- I understand that although I will pay for my investment in Bahraini Dinars, subscription of VINCI shares is made in Euros. Thus, the amount of my investment will be converted into Euros at the exchange rate determined by VINCI on the price fixing date (ie 20 May 2016). It is expected that VINCI will use the exchange rate as applicable on that date. During the life of my investment, the value of my assets will be affected by fluctuations in the currency exchange rate between the Euro and the Bahraini Dinar. As a result, if the value of the Euro strengthens relative to the Bahraini Dinar, the value of my assets expressed in Bahraini Dinar will increase. On the other hand, if the value of the Euro weakens relative to the Bahraini Dinar, the value of the assets expressed in Bahraini Dinar will decrease.
- I have duly noted that, save for the occurrence of a case of early release (as described in the Information Brochure) my investment will remain blocked for a 3-year period.
- VINCI makes available upon request the regulations of the International Group Share Ownership Plan of VINCI group and of the FCPEs referred to in the front of this form. I certify that I was able to access the VINCI document de référence (annual report) and other financial reports that contain important information on the activities, strategy, management and financial results of VINCI.
- I have noted the tax consequences that may result from my participation in the International Group Share Ownership Plan and assume full responsibility therefore. In particular, I acknowledge that I must reimburse my employer for any sum that it would have had to advance on my behalf for the tax or social charges that are applicable to me. My employer may deduct such amounts from my pay or any other amounts due to me and/or may order the sale of all or part of my FCPE units or shares and withhold from the proceeds.
- My decision whether or not to participate in this offering is entirely voluntary and personal. My decision will have no effect, either positive or negative, on my employment within the VINCI group. Participation in this offering is separate from and does not form a part of my employment agreement and does not confer to me any right or entitlement in relation to my employment or subsequent benefits or entitlements, including upon termination.
- I also noted that neither this document nor any other material distributed or made available to me in connection with this offering or the International Group Share Ownership Plan shall confer to me any right or entitlement in relation to future offerings.
- My investment will be complemented by a grant of shares without consideration by VINCI. Details thereof are described in the Information Brochure.
- I certify that my payments to the International Group Share Ownership Plan made in 2016 will not exceed 25% of my annual gross compensation.
- The number of shares available for the offering is 6 256 581. If the overall amount of subscription requests exceeds the number of shares available for offering, the amount of my investment will be reduced. The reduced amount will be calculated as follows:
 - (i) An individual threshold will be calculated equal to the average subscription request calculated based on the overall amount of subscription requests. Subscription requests will be wholly served up to this threshold.
 - (ii) Then, the remaining amount of shares will be determined and a reduction ratio will be calculated to be applied to remaining individual subscription requests.

I accept to reduce the amount of my investment accordingly. Amounts corresponding to subscription requests that could not be met will be reimbursed to me up to my voluntary payment or the amount to be withheld reduced accordingly. Payment will be made according to terms provided locally.

I have noted that if I fail to pay or do not pay in time the amount of my investment, this order can be cancelled without notice. In the case of default of payment, my employer may redeem or have redeemed, without any prior notice whatsœver, all of my FCPE units and/or shares and allocate the proceeds towards payment of my subscription amount. If the proceeds from the sale are not sufficient to cover the amount indicated above, I will remain liable to my employer for the corresponding amount. Further, my employer reserves the right to file a claim against me for payment of the unpaid amounts.
