REPRESENTATIONS AND UNDERTAKINGS

- I have noted that by investing in this offering, I become a participant in the International Group Share Ownership Plan of VINCI group.
- I understand that although I will pay for my investment in Singapore Dollars ("S\$"), subscription of VINCI shares is made in Euros. Thus, the amount of my investment in S\$ will be converted to Euros at an exchange rate determined by VINCI on the price fixing date (i.e. 17 May 2019). It is expected that VINCI will use the exchange rate as applicable on that date. During the life of my investment, the value of my assets will be affected by fluctuations in the currency exchange rate between the Euro and the S\$. As a result, if the value of the Euro strengthens relative to the S\$, the value of my assets expressed in S\$ will increase. On the other hand, if the value of the Euro weakens relative to the S\$, the value of S\$ will decrease.
- I have duly noted that, save for the occurrence of a case of early release (as described in the Information Brochure and the Local Supplement) my investment will remain blocked for a 3-year period.
- VINCI makes available upon request the regulations of the International Group Share Ownership Plan of VINCI group and of the FCPEs referred to in the front of this subscription form.
- VINCI shares are listed on Euronext. The value of my investment will track the value of VINCI shares that may go up as well as down. VINCI makes available on www.vinci.com its document de référence (annual report) and other financial reports that contain important information on the activities, strategy, management and financial results of VINCI as well as the risk factors related to activities of VINCI group. I certify that I was able to access these documents.
- I have noted the tax consequences that may result from my participation in the International Group Share Ownership Plan and assume full responsibility therefore. In particular, I acknowledge that I must reimburse my employer for any sum that it would have had to advance on my behalf for the tax or social charges that are applicable to me. My employer may deduct such amounts from my pay or any other amounts due to me and/or may order the sale of all or part of my FCPE units or shares and withhold from the proceeds.
- My decision whether or not to participate in this offering is entirely voluntary and personal. My decision will have no effect, either positive or negative, on my employment within the VINCI group. Participation in this offering is separate from and does not form a part of my employment agreement and does not confer upon me any right or entitlement in relation to my employment or subsequent benefits or entitlements, including upon termination. Nothing contained in this subscription form or any other materials distributed or made available to me in connection with this offering or the International Group Share Ownership Plan or the FCPEs shall confer upon me any right or entitlement in respect of my employment or subsequent benefits or entitlements, including upon termination.
- I have also noted that neither this subscription form nor any other material distributed or made available to me in connection with this offering or the International Group Share Ownership Plan or the FCPEs shall confer upon me any right or entitlement in relation to future offerings.
- My investment will be complemented by a grant of shares without consideration by VINCI. Details thereof are described in the Information Brochure.
- I certify that my total payments to the International Group Share Ownership Plan made in 2019 will not exceed 25% of my annual gross compensation for 2019.
- The number of shares available for the offering is 8,961,430. If the overall amount of subscription requests exceeds the number of shares available for this offering, the amount of my investment will be reduced. The reduced amount will be calculated as follows:
 - (i) An individual threshold will be calculated equal to the average subscription request calculated based on the overall amount of subscription requests. Subscription requests will be wholly served up to this threshold.
 - (ii) Then, the remaining amount of shares will be determined and a reduction ratio will be calculated to be applied to remaining individual subscription request.

I agree to accept the reduction in the amount of my investment accordingly. Amounts corresponding to subscription requests that could not be met will be reimbursed to me up to my voluntary payment or the amount to be withheld reduced accordingly. Payment will be made according to terms provided locally.

- I have noted that if I fail to pay or do not pay the amount of my investment in time, this subscription order can be cancelled by VINCI without notice. If my order has been processed, I will remain liable to my employer for the amount of my subscription. I recognize and expressly accept that VINCI or my employer may redeem or have redeemed, without any prior notice whatsœver, all of my FCPE units and/or shares and allocate the proceeds towards payment of my subscription amount. If the proceeds from the sale are not sufficient to cover the amount indicated above, I will remain liable to my employer for the corresponding amount. Further, my employer reserves the right to file a claim against me for payment of the unpaid amounts.
- I understand that the offer is not open to "U.S. Persons" and I hereby certify accordingly that I am not a resident of the United States of America. I understand that further information about this restriction is available in the FCPE's regulations and on the website of the management company: www.amundi.com.
