Sharing the economic benefits of our performance is the Group's key commitment with regard to this scheme which, in 2022, will be available to more than 85% of employees outside France. By subscribing to VINCI shares through the CASTOR INTERNATIONAL RELAIS 2022 fund (a temporary employee shareholding fund), you are choosing to invest in the Group and to share in its long-term success.

For more information and guidance, I would ask you to carefully read this brochure and the other plan-related documentation. I hope that, once again, as many of you as possible will take part in this shareholding scheme which has been tailored specifically to you and which fosters our culture of sharing.

GLOSSARY

Share: a financial instrument representing a fraction of a company's capital. By owning shares in a company, shareholders own a part of the company.

Bonus share: a share granted to the beneficiary free of charge.

Dividend: a part of the net profits of the company paid to the shareholders.

FCPE (employee shareholding fund) or fund: the FCPE is a jointly-owned portfolio of securities divided into units and reserved for the employees of one or more companies. By investing in a FCPE (employee shareholding fund), employees become 'unit holders' of the fund.

Subscription price: it is calculated based on the average of the VINCI share price (volume-weighted average prices) over the twenty trading days preceding the start of the subscription period.

How the plan works: a temporary fund

The VINCI shares subscribed through employees' contributions will be held in the CASTOR INTERNATIONAL RELAIS 2022 temporary employee shareholder fund, which will be merged into the existing CASTOR INTERNATIONAL fund, once approved by the Supervisory Board and the French Financial Markets Authority (AMF). In this offering, you will first hold units in the temporary employee shareholder fund. After the merger, you will hold units in the CASTOR INTERNATIONAL fund.
