REPRESENTATIONS AND UNDERTAKINGS

- I have noted that by investing in this offering, I become a participant in the International Group Share Ownership Plan of VINCI group.
- I have noted that the subscription price of one VINCI share that has been communicated to me is equal to the volume-weighted average prices of VINCI shares over the twenty trading days preceding the start of the subscription period. Subscription of VINCI shares is made in euros. Thus, the amount of my investment will be converted into euros at the exchange rate of May 19, 2017. During the life of my investment, the value of my assets will be affected by fluctuations in the currency exchange rate between the euro and the U.S. dollar. As a result, if the value of the euro strengthens relative to the local currency of my country, the value of my assets expressed in U.S. dollars will increase. On the other hand, if the value of the euro weakens relative to the U.S. dollar, the value of the assets expressed in U.S. dollars will decrease.
- I have duly noted that, save for the occurrence of an early redemption event (as described in the Information Brochure) my investment will remain blocked for a 3-year period.
- The regulations of the International Group Share Ownership Plan are available to me (in English or French) at my Human Resources Department.
- The Local Supplement for the United States and the Information Brochure were made available to me. I was advised to carefully review each such document, and I have done so.
- VINCI shares are listed on Euronext. The value of my investment will track the value of VINCI shares that may go up as well as down. VINCI makes available on www.inci.com its document de référence (annual report) and other financial reports that contain important information on the activities, strategy, management and financial results of VINCI as well as the risk factors related to activities of VINCI group. I certify that I was able to access these documents.
- I have noted the tax consequences that may result from my participation in the 2017 employee offering under the International Group Share Ownership Plan and assume full responsibility therefor. In particular, I acknowledge that I must reimburse my employer for any sum that it may advance on my behalf for the taxes that are applicable to me. My employer may deduct such amounts from my pay or any other amounts due to me and/or may order the sale of all or part of my shares and withhold from the proceeds.
- I acknowledge that I am not relying on any financial, tax or other advice from any VINCI company or any of its officers, employees or agents, and I understand that the value of shares may decrease while I hold the shares (including during the mandatory holding period) and may fluctuate due to changes in the euro/U.S. dollar exchange rate. I understand that the amount I invest is at risk.
- My decision on whether or not to participate in this offering is entirely voluntary and personal. My decision will have no effect, either positive or negative, on my employment with the VINCI group. Participation in this offering is separate from and does not form part of the terms of employment and does not confer to me any right or entitlement in relation to my employment, including upon termination.
- I have noted that neither this document nor any other material distributed or made available to me in connection with this offering or the International Group Share Ownership Plan shall confer to me any right or entitlement in relation to future offerings.
- My investment in the capital increase will be complemented by a grant of shares without consideration by VINCI after three years. Details thereof are described in the Information Brochure.
- I certify that my payments to the International Group Share Ownership Plan made in 2017 will not exceed 25% of my annual gross compensation.
- The number of shares available for the offering is 8 956 491. Additionally, the offering made in the USA is limited to US\$ 5,000,000. This is the aggregate amount of investments that can be made by all participants in the CASTOR INTERNATIONAL 2017 offering in the USA. If the overall amount of subscription requests from U.S. participants exceeds the amount available for the USA, or if worldwide subscription requests exceed the number of shares available for offering, the amount of my investment will be reduced. The reduced amount will be calculated as follows:
 - (i) An individual threshold will be calculated based on the overall amount of subscription requests. Subscription requests will be wholly served up to this threshold.
 - (ii) Then, the remaining amount of shares will be determined and a reduction ratio will be calculated to be applied to remaining individual subscription requests that exceed the threshold.

I accept to reduce the amount of my investment accordingly. Amounts corresponding to subscription requests that could not be fulfilled will be reimbursed to me up to my payment made with this subscription order, or the amount to be withheld from my salary reduced accordingly. Payment will be made according to terms provided locally.

I have noted that if I fail to pay the subscription price on time, this subscription can be cancelled without notice. If my order has been processed, I will remain liable to my employer for the amount of my subscription. I recognize and expressly accept that VINCI or my employer may proceed with or request, without any prior notice whatsœver, the sale of all of my VINCI shares and allocate the proceeds towards payment of my subscription amount. If the proceeds from the sale are not sufficient to cover the amount indicated above, I will remain liable to my employer for the corresponding amount. By subscribing to the offering, I consent to allow my employer to withhold from my paycheck the unpaid amounts if the proceeds from the sale are not sufficient to cover the amount indicated above. Further, my employer reserves the right to file a claim against me for payment of the unpaid amounts.

This order is subject to provisions of French Law n°78-17 of January 6, 1978 on data processing, data files and individual liberties. I have been informed that information contained in this form shall be used in the context of the computer data processing by VINCI. I note that information provided in this form may only be used in order to manage the International Group Share Ownership Plan and to meet legal requirements. This data may be transmitted to any person involved in administration of the International Group Share Ownership Plan. In particular, I authorize the transfer of my personal information to these persons in France. This data will be retained for the time necessary to process subscriptions of VINCI shares and all transactions resulting therefrom as well as for management of assets held in the International Group Share Ownership Plan. I may exercise my right to access and rectify my personal data by contacting the Human Resources department of my employer.

By electing to pay for up to ten shares by a salary advance, I acknowledge that:

- My employer may deduct the portion of my subscription price set forth above from payroll periods over the course of three months.
- To the extent my salary advance (combined with all other loans and salary advances extended to me by the VINCI group and its subsidiaries and affiliates) exceeds US\$ 10,000, I will incur imputed interest income.
- In the event that my employment is suspended or terminated for any reason before my salary advance is paid off, I agree to pay the remaining amount due under my salary advance before my departure. My employer will have the right to collect any unpaid portion of my salary advance from other amounts that are owed to me, except to the extent such collection is prohibited by law or would cause me to become subject to interest or additional tax under Section 409A of the Internal Revenue Code.
