Together, VINCI employees are the Group's largest shareholder.

Sharing the results of our performance is one of the eight commitments of our mission statement. As a tangible expression of this commitment, in 2025, the Castor International programme concerns more than 80% of employees outside France.

By subscribing to VINCI shares through the Castor International Relais 2025 (a temporary employee shareholding fund), you are choosing to invest in the Group and contributing to its long-term success.

In order to support you in your approach, I invite you to read this brochure and the documents related to this transaction carefully. You will also find them on castor.vinci.com. I hope many of you will once again take part in this programme specially designed for you and which nurtures our sharing culture.

3 BENEFITS

to joining this program

A financial contribution in the form of bonus shares

- VINCI will match your savings with a bonus share grant, calculated by share purchase bracket.
- The bonus shares will vest and be delivered after three years' time, subject to the conditions outlined below.
- The rule favors small-scale savers with the first 10 shares subscribed eligible for 20 free shares.

|  |  |  |
|---|--|---|
| When you subscribe for up to... ⁽¹⁾ | Your company will grant you bonus shares for an amount of... ⁽²⁾ | Or a total of up to... |
| 1 to 10 shares | 2 bonus shares for the equivalent of 1 share subscribed as of the first share | 20 bonus shares (10 shares x 2) |
| 11 to 40 shares | 1 bonus share for the equivalent of 1 share subscribed as of the 11 th share | 50 bonus shares (10 shares x 2) + (30 shares x 1) |
| 41 to 100 shares | 1 bonus share for the equivalent of 2 shares subscribed as of the 41 st share | 80 bonus shares (10 shares x 2) + (30 shares x 1) + (60 shares x 1/2) |

For the calculation:

(1) The number of shares subscribed in these calculations corresponds to the amount of your initial investment, divided by the VINCI share subscription price, rounded down to the next whole number.

(2) The number of bonus shares granted is rounded down to the next whole number.

Dividends paid by VINCI

- You will receive dividends, if applicable, paid by VINCI from the date of the share subscription and also in respect of the bonus shares after they have vested.
- Dividends paid on the shares held through the Castor International FCPE (company mutual fund) plan will be automatically reinvested and the number of shares held will increase.

Payment of the costs by your company

As an employee, you incur no account custody fees, and no entry fees.

In return for these benefits, you agree:

- to a **three-year lock-in period for your savings** (except in the cases of early release specified);
- to the **risk involved in investing in shares**, and that your capital may go up as well as down;
- to the risks associated with the fluctuations of the New Zealand Dollar against the euro.
